Notice of Proposed Action

June 20, 2008

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes

The Administrator has received a complete application for a water pollution control discharge permit #NEV2008508 from the following applicant:

RED Sparks Legends Development Inc.
4717 Central
Kansas City, Missouri 64112

The applicant proposes to apply tertiary treated, denitrified and disinfected effluent to irrigate streetscapes and parking lot landscaping, and for use as construction water and dust control during construction of the Legends at Sparks Marina property at 1555 East Lincoln Way, Sparks, Nevada. The Permittee will use effluent supplied by the Truckee Meadows Water Reclamation Facility (NEV2003506) for the subject reuse sites in accordance with conditions in the approved Effluent Management Plans required by the Nevada Division of Environmental Protection, and by the terms and condition of the permit. The permit will be issued for period of the five (5) years.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) and implementing regulations, the Administrator proposes to issue the subject permit to discharge, subject to certain effluent limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control should submit their comments or request, in writing by July 20, 2008, within thirty (30) days of newspaper publication, either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, Nevada 89701-5249

This Document is for Electronic Distribution

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted.

All comments or objections received within thirty (30) days of publication of the notice will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Icyl Mulligan, Bureau of Water Pollution Control at 775.687.9432, or by FAX at 775.687.4684. Copies of the Fact Sheet and Public Notice may be viewed or printed from the NDEP website at <http://ndep.nv.gov/admin/public.htm>.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
